TIGERS IN FAST SCRIMMAGE WORK

All-Class and the Varsity Teams Battle to 5-to-5 Draw.

PRESIDENT HILL SEES PRACTICE

Bluck Tackles Dummy So Hard That Its Leg is Torn Off.

The Tigers and the all-class team lined up against each other last night and had one of the hardest scrimmages seen on Rollins Field in several days. The teams worked hard and fast for twenty minutes and at the end the score stood 5 to 5, neither side attempting to kick goal after touchdown.

Before the Tigers went into the scrimmage they spent about half an hour at the tackling dummy. More time would have been given to this work had not Bluck torn a leg off the dummy in tackling it. The Tigers then ran through fast signal practice.

Gilchrist Runs Signals.

The work done by the Varsity was good, considering that the men are still sore from Saturday's game. The same program will be gone through this evening.

Gilchrist was out running signals but did not take part in the scrimmage.

President Hill watched the practice last night for an hour and seemed to be well pleased with the work done by the men.

PHYSICAL CONDITION TO BE BIG FACTOR

Missouri Has Good Chance to Defeat Kansas on Thanksgiving.

TIGERS CLASSY, SAYS CRITIC

Kennedy Has Two Sets of Backs and So Has Monilaw.

"Missouri isn't beaten by any means." Those were the words of Bert Kennedy, the Kansas coach, when he returned to Lawrence yesterday morning after the fine victory of his team over Nebraska's highly touted aggregation, says the Kansas City Star. Kennedy is right Missouri isn't whipped by a whole lot and Missouri will not come here with a team that will be easily whipped. The Tigers have played their schedule and the time between now and next Thursday will be spent in whipping the men into better physical condition and perfecting the team play.

Physical condition will be a big factor in the Thanksgiving game. At the final whistle of the Kansas-Nebraska game the Jayhawkers were as fresh as when they started. In the last half of the Ames-Missouri game the Tigers were "all in." The Tigers displayed great form in the first half, and with a fair amount of the luck of the game would have scored two touchdowns. The Ames line was torn into threads. But in the last half the Tiger ginger was gone. Player after player left the game and some of them were carried from the field.

Of course, even the best conditioned athlete is subject to injury in football, but injuries are few and far between when a team is in as perfect condition as was the Ames aggregation. Had the Tigers been physically capable of playing the ball in the second half that they did in the first the story of that game would have been quite different. The Tigers have had two hard games since the Ames test and they now have nearly two weeks for conditioning. If the Missouri team is not in almost perfect physical condition a Kansas victory will be a certainty.

Missouri Has Several Stars.

Individually the Missouri team looks better than the Kansas eleven. Driver and Nee, the Tiger ends, look better than Pleasant and Rice. To be sure, paper dope in football is the same as in baseball, frequently amounting to nothing, often being double-crossed. Anderson and Bluck of the Missouri line are individual players who will make the Kansas line step lively. "Tubby" Graves is a demon of the Carlson type, only the Missourian is a bigger athlete than the Kansas center. Ristine, the Tiger center, will have more than his hands full in holding the speedy Carlson. But Ristine has a reputation as a fighter. Deatherage had the edge on Johnson until the Nebraska game. The form Johnson showed in the victory at Lincoln gives evidence that Deatherage will not have the quarter back honors all to himself. In the back field Kansas will have the advantage in that Kennedy has developed two complete sets of backs.

However, Missouri will not be a great way behind in this respect. Monilaw has developed several extra back field

men who loom up as big as any of the Kansas backs. When Wilder went into the Ames game late in the second half he tore great holes in the Iowa line. The Tiger rooters wondered why he had not been inserted before. Then, too, a look at the Missouri line-up against Washington shows that the Missouri coaches are using two sets of backs. Wilder and Ewing were used at full; Alexander and Cook at one half and Crain and Sigler at the other. Alexander will bear watching in the game next Thursday. He has nothing to fear from a comparison with any member of Kennedy's back field artists.

When Kennedy sends in his new back field to batter away at the Missouri line the Tiger coaches will substitute practically a new line and one almost as good as the regular line. In Barnes, Carothers, Gove and Roberts Missouri has a substitute line that is as good as K. U.'s sub back field.

This point must not be overlooked. While Kennedy has been developing two sets of backs Monilaw has been tirelessly working out two sets of linemen. And that the second set can go some was shown in the Iowa game when three regulars ornamented the side lines.

Verily, Kennedy had the right hunch. "Missouri isn't beaten yet." Next Saturday Kansas tackles Iowa. The score of that game may be compared with the Missouri-Iowa score and the football follower who cons over dope can draw new lines on the strength of the Missouri and the Kansas elevens. Kansas should win from Iowa by a good margin, but the dope may run as it ran in the Nebraska-Kansas contest, where the Cornhuskers were given the big edge. Iowa may surprise Kansas. Anything is possible in football. Then the Jayhawkers will descend on Kansas City for their annual game with Missouri. And if the Tigers come here physically fit and play together there will be one grand game of football on the gridiron at Association park.

High School to Play C. B. C.

The Columbia High School basketball team will play its second game next Friday night with the Columbia Business College, at the Rothwell Gymnasium. The High School recently defeated this same team 33 to 8.

PRACTICE BEGINS IN BASKETBALL

Prospect for Best Team in University's History, Lowman Says.

EXPERIENCED MEN IN SQUAD

Games Are Scheduled With Leading Missouri Valley Schools.

Active practice on the Varsity Basketball team will begin Nov. 30. The prospects that the University of Missouri will have a winning team are bright. The return of Burrus, Henley, Ristine, Bernet, Gardner, Driver and Price, men of former teams, gives the Tigers the largest number of experienced men they have had for some years.

Besides these men Coach Lowman will have the following men to choose from—Graves, Nee, Stava, Roberts, W. S. Smith, Stumph, Hayden, Williams, Alexander and Prather. These men are all experienced and have been members of class teams.

The intention of the Athletic Department is to carry at least ten men on each trip. This number is more than has ever been taken before on a basketball trip.

Basketball Schedule.

With the material at hand Coach Lowman should develop a first-class basketball team.

The Tigers' schedule for this year is as follows:

Dec. 19. Warrensburg or Rolla.
Jan. 9. Ames.
Jan. 15 and 16. Washington.
Jan. 22 and 23. Rolla, Nebraska or Baker.
Jan. 30. Ames.
Feb. 1. Drake or Nebraska.
Feb. 2. Nebraska.
Feb. 3. Baker, Washburn or Manhattan.
Feb. 4 and 5. Kansas.
Feb. 6. Warrensburg.
Feb. 12 and 13. Kansas.
Feb. 17 and 18. Washington.
Feb. 22. Baker or Rolla.

FRESHMAN TIGERS TO PLAY BASKETBALL

Active practice for the inter-department basketball games have begun. The men are being coached by Mr. Fred Bernet, a Junior in the College of Arts and Science, and a guard on last year's Tiger basketball team. The schedule for the class games will be arranged by Mr. Bernet.

This will be the first time departments of the University have met in athletic competition and if the innovation is successful it will be made an annual athletic event.

Membership on these teams is opened only to Freshmen.

Revolution is Feared.

By United Press.
LONDON, Nov. 18.—Messages received from English merchants in China, say a commercial panic is sweeping over the country. Bank runs continue by the hundreds. Most of them will fail unless the government allays the panic. A revolution is feared.

Kentucky Bank Closed.
